KEY ASPECTS

The owner is **open to selling 100%** of his company and **willing to keep leading as a managing director**.

- **Consulting & Planning:** Free and non-binding design drafts and offers, use of advanced planning software and personal support from one of the many experienced pro managers throughout the entire process.
- **Execution & Technology:** Utilization of high-quality modular stand systems from established brands; use of premium digital prints for customized designs and efficient coordination including logistics.
- **Assembly & Support:** Multilingual installation teams for international projects, personal supervision on-site by the project managers as well as flexible and responsible throughout the exhibition.
- **Sustainability & Quality:** The use of reusable materials combined with 30 years of industry experience ensures an optimized brand presentation and reliable results.
- **All-inclusive Package:** The company offers a comprehensive all-inclusive package for trade show appearances – from initial consultation to setup and dismantling. With full-service approach, it stands out through the highest quality standards.

OPPORTUNITIES

- **Expansion of the company's visibility** through **marketing efforts**.
- The implementation of a **higher number of subcontractors and equipment** would facilitate the execution of a **greater number of projects**, which are even **more comple**:
